Good Afternoon Ryan,

We apologize for the delay but the lab who collected the samples recently updated some of its equipment which delayed the samples to be analyzed by a few days. I have attached the full wastewater report and supporting documents for your review. I will also get a hard copy of this report into the mail to your attention this afternoon.

Please let me know if you have any questions.

Thank you,  
Tom A.

Good Morning Ryan,

Please see attached the letter submitted on behalf of Hydro – Mountain Top. If you have any questions please don't hesitate to reach out to me.

Thanks & have a great weekend.  
Tom A.
